Professional Summary

MERN Stack Developer with hands-on experience in designing and developing scalable full-stack web applications. Skilled in building secure backend systems, RESTful APIs, and responsive user interfaces. Strong foundation in data structures and modern web technologies with a focus on performance and usability.

Technical Skills

Languages: Java, JavaScript, Python (Basic)
Frontend: HTML5, CSS3, React.js, Tailwind CSS, Bootstrap
Backend: Node.js, Express.js
Database: MongoDB
APIs & Auth: REST APIs, JWT Authentication
Tools: Git, GitHub, Postman

Projects

JobConnect – Job Portal Application (MERN Stack)

- Developed a full-stack job portal connecting job seekers and recruiters with role-based dashboards.
- Implemented JWT-based authentication and secure access control for candidates and recruiters.
- Built job posting, job search, application submission, and application status tracking features.
- Developed RESTful APIs using Node.js and Express.js with MongoDB for efficient data management.

Internships

Programming with python July 2024 – Aug 2024
- Moniba Technology & Innovations , Bhubaneswar
- Developed Python programs to solve basic programming and logical problems.
- Implemented Python concepts, including loops, functions, lists, dictionaries, and file handling.
- Practiced debugging, code optimization, and problem-solving techniques.

Web Design Intern May 2025 – July 2025
Central Tool Room & Training Centre (CTTC), Bhubaneswar
- Developed 10+ responsive web pages using HTML, CSS, Bootstrap, and JavaScript
- Built an Online Pharmacy Website with improved UI/UX
- Enhanced cross-browser compatibility and responsiveness

Education

B.Tech in Computer Science Engineering (Pursuing) CGPA: 8.5
GIFT Autonomous College, Bhubaneswar (BPUT)

Intermediate (CHSE, Odisha) – 2023 72%
Bahanaga Higher Secondary School, Bahanaga

Matriculation (BSE, Odisha) – 2021 67%
D.N High School, Sarasatia

Certifications

- NPTEL Computer Network and Internet Protocol – IIT Bangalore
- NPTEL Industry 4.0 & IoT (Elite) – IIT Kharagpur
- NPTEL Introduction to Large Language Models (Elite) – IIT Madras

Achievements

- Developed multiple MERN stack applications with authentication and API integration
- Demonstrated strong understanding of real-world development workflows

Strengths

- Self-motivated
- Problem-Solving
- Honest

Hobbies

- Playing Cricket
- Traveling
